PROFESSIONAL SUMMARY

Sr Software Developer with 3+ years of hands-on experience in backend and full-stack development using .NET technologies, Angular, SQL Server, and Azure. Adept at building scalable Web APIs, integrating third-party services, and deploying applications via Azure DevOps. Strong problem-solving skills, experienced in Agile methodologies using Jira, and highly collaborative in cross-functional environments.

TECHNICAL SKILLS

Backend: C#, .NET Core, ASP.NET MVC, Web API, Entity Framework, LINQ
Frontend: Angular, HTML, CSS, JavaScript, Kendo UI
Database: SQL Server, PostgreSQL, Stored Procedures
Cloud/DevOps: Azure, Azure DevOps, CI/CD, IIS, Console Applications
Tools & Others: Git, Jira, Power BI, JSON, XML, RESTful APIs, Webhooks

PROFESSIONAL EXPERIENCE

Sr. Software Developer
Baruni Solutions Pvt. Ltd.,
09/2024 – Present   *Nagpur*
Achievements/Tasks

- Worked on 4 major projects including healthcare and jewelry commerce platforms.
- Designed and deployed RESTful Web APIs using .NET Core and both SQL Server & PostgreSQL.
- Created and optimized stored procedures to enhance database performance.
- Integrated third-party email/webhook services for external communication.
- Built and maintained CI/CD pipelines using Azure DevOps.
- Used Jira for task tracking and cross-team collaboration.
- Developed new modules from scratch with updated .NET Web API and SQL Server.
- Handled module-specific requirements and front end and backend features.
- Developed console apps and web services to sync jewelry product data via CSV, triggered every 10–15 minutes.

Software Developer
Senwell Groups
04/2024- 09/2024   *Pune*
Achievements/Tasks

- Developed and maintained an ASP.NET MVC application integrated with Kendo UI, enhancing frontend interactivity and user experience.
- Implemented robust SQL Server solutions for efficient data management, including schema design, optimization, and writing complex queries.
- Created insightful Power BI reports that provided actionable business insights, supporting informed decision-making.
- Deployed and managed applications on Azure servers, ensuring scalability, reliability, and optimal performance.
- Utilized Jira for task management, ensuring timely completion of deliverables and transparent project tracking.
- Acted as a primary liaison for foreign clients, providing regular status updates, gathering requirements, and ensuring client satisfaction through effective communication.

Associate Software Developer L-II
Tudip Technologies
05/2022 – 03/2024   *Pune*
Achievements/Tasks

◇ Successfully developed and implemented a robust Web API using .NET Framework, enhancing data accessibility and integration capabilities.
◇ Deployed the application on Azure servers for ensuring scalability, reliability, and efficient performance.
◇ Managed sensitive customer, client, and employee data securely in SQL Server, adhering to data protection regulations.
◇ Developed and maintained the Web API, facilitating seamless communication between frontend and backend systems.
◇ Utilized Entity Framework for database management, including writing LINQ queries and running migration scripts to update database schema.
◇ Implemented exception handling strategies to improve application stability and user experience.
◇ Designed and created models to map user input to database tables, ensuring accurate data storage and retrieval.
◇ Deployed and maintained applications on Azure servers, with occasional use of IIS for related projects, ensuring optimal performance and availability.

PERSONAL PROJECTS

◇ Blogify: ASP.NET MVC-based blogging platform with CMS-style user management, posting, and content organization.
◇ Medicine Management System (VB.NET): Ayurvedic medicine inventory and sales tracking for shopkeepers and customers.
◇ Hospital Management System (VB.NET): End-to-end hospital registration, pharmacy, and billing system.
◇ Garment Shop Management System (VB.NET): Tracks inventory, payments, payroll, and includes invoice printing.

EDUCATION

Master of Computer Applications (MCA)
Shri Ramdeobaba College of Engineering & Management, Nagpur
2020 – 2022
Bachelor of Commerce in Computer Applications (BCCA)
G.S. College of Commerce & Economics, Nagpur
2016 – 2019

LANGUAGES
English, Hindi, Marathi

INTERESTS
Exploring Technology, Music, Cricket
